**Re: Faroque v. Lenox Room Corp. et.al**  
**Case No. 19-cv-10608-VM**

Dear Hon. Judge Marrero:

I represent the Plaintiff Mohammad Omar Faroque in the above referenced matter. I am writing your Honor regarding the Initial Conference scheduled for December 18, 2020.

Pursuant to previous e-mail correspondence with your law clerk, Komal S. Patel, I am requesting a brief adjournment of the initial conference. I make this request due to a pressing family matter that required me to be outside of New York and my office for the last two and one-half weeks and as a result, opposing counsel and I have not prepared the required joint letter and proposed management plan/scheduling order. Opposing counsel, Stephen Hans, and I have also engaged in settlement discussions and we have discussed utilizing the time for the requested adjournment to continue to try and settle the matter.

I have discussed this adjournment request with opposing counsel, and he is in agreement with the instant adjournment request.

We request a January date.

Very Truly Yours,

s/c  
Salvatore Compoccia  
Attorney for Plaintiff  
Mohammad Omar Faroque

**Request GRANTED.**

The initial conference is hereby  
adjourned to January 29, 2021 at 2:00  
p.m.

**SO ORDERED.**
